   - Community Meeting

9. Final Report and Implementation Plan
   - STEERING COMMITTEE
     - Present findings
   - Community Meeting

We need your Participation!

- To obtain feedback on the analysis of alternative alignments, selection of a preferred alignment, development opportunities along the corridors, potential funding and financing strategies, and the preferred technology.
- We will keep you informed, listen to your concerns and aspirations related to a potential Fullerton Connector, and we will provide feedback to you on how your input influenced recommendations.

Roadmap
FOR THE COLLEGE CONNECTOR PROCESS

We need your Participation!

- To obtain feedback on the analysis of alternative alignments, selection of a preferred alignment, development opportunities along the corridors, potential funding and financing strategies, and the preferred technology.
- We will keep you informed, listen to your concerns and aspirations related to a potential Fullerton Connector, and we will provide feedback to you on how your input influenced recommendations.

Participation Goals
FOR COLLEGE CONNECTOR MEETINGS

- To understand the opportunity and the needed funding
- To identify potential routes
- To develop preliminary alignment alternatives
- To conduct economic and community benefits assessment
- To present findings and recommendations
- To provide feedback on the final report and implementation plan
