   The venue and catering deposits for the planned historical symposium have been made.

   An accountant was retained to assist with short-term Quickbooks management. Services were completed, enabling the Orange Section Q1 and Q2 2017 quarterly financial reports to be submitted to the State.
   The California Chapter is considering whether to retain a CPA firm to manage all Sections’ Quickbooks management in the future. This will be a discussion item at the Section Directors meeting during the APA California conference.

4. Vice Director for Professional Development (Belinda)
   Belinda has received 8 applications for discounted APA California conference registrations associated with the Planners4Health Grant Fund. Recipients will be encouraged to attend the health-related sessions and provide quotes to include in an article about the P4H grant.

Appointed Positions

9. Academic Liaison (Sanjoy)

Sanjoy has notified students regarding the conference scholarship stipend; many students are not interested given that the conference is scheduled concurrent with the beginning of the academic year.

The UCI planning department has a new title: “Department of Urban Planning and Public Policy.” (UPPP) Additionally, Virginia Parks is the new chair of the UPPP Department.

10. Legislative Liaison (Bill)

SB649 (re: wireless/telecom) passed the Senate on Sep 14, and is headed to the Governor for signature. The bill addresses roll out of the next generation of wireless networks, dubbed “5G.” Instead of high-powered antennas on tall towers, the networks rely on an array of lower-power transmitters. SB 649 would streamline the approval process for putting such small cell networking gear on public poles and lights.

11. Awards Chair (Amy V)

No updates this month.

12. Web Master (Lindsay)

Leila will forward photos and information from the gold tournament to Lindsay.

13. Student Representative (Victoria)

14. Diversity Chair (Marlon)

There will be a Diversity Summit on Saturday evening at the APA California conference, followed by a mixer. All attendees welcome.

   Leila attended the Planners4Health forum. She is working with Belinda regarding conference stipends (see Item #4 above).

18. Golf Tournament (Tim – via Leila)
   Leila and Tim will forward the final invoices to Charles for the payment of golf tournament expenses. Turnout and sponsorships were low; we had 42 golfers vs. a required commitment of 60. The Board plans to discuss alternative events or other sources to fund student scholarships in the future. Discussion is needed with PDAOC and ICC.

19. Planners Commission Representative (Adrienne)
   Adrienne plans to coordinate with other sections to identify APA members who are planning commissioners, so they can be contacted.

   Lunch for student scholarships will be held on Saturday, two students from Orange Section receiving awards.

21. Young Planners Group (Ashley)
   A project showcase will be scheduled for October 18.
