

Leila Carver, PTP- Candidate for VP of Admin and Finance

Associate Planner, CSG Consultants

My name is Leila Nedal Ibrahim Carver, and I'm a Land Use and Transportation Planner with a MURP from Cal Poly Pomona. I'm a certified Professional Transportation Planner (PTP), and plan on taking the AICP exam in 2019! I enjoy participating in and sharing the professional development and networking opportunities that are available to APA members. It's been an honor to serve on the APA California Chapter Orange Section board for the past two years in the appointed position of Community and Agency Outreach Liaison. I would be delighted to continue as a board member as the Vice President of Administration and Finance.
